## RIGHTS & RESPONSIBILITIES AND DIGNITY OF WORK & RIGHTS OF WORKERS

### ABOUT THE RETREAT

Join the East King County Deanery Outreach Committee and Catholic Community Services for our second of four retreats focused on Catholic Social Teaching. Together will explore and encounter how the Principle of Rights & Responsibilities as well as the Principle of Dignity of Work & Rights of Workers are lived in our lives and faith communities. One feature will be our local Seafarers ministry - consider bringing items for their ditty bag donation drive. Items can include: knit hats, full size shampoo, and deodorant. You can see a full list of items online at: <https://www.mts-seattle.org/ditty-bags>
