

3+ Classroom Notes March 2024

The month of March will be busy and fun in the 3+ classroom! We will start out the month talking about rainbows and make the cover for our individual counting books, which we will continue working on throughout the next couple of months. Then we will learn about and play with magnets.

Next comes Pajama Day on Thursday, March 14th! We will all wear our pajamas to school (best day ever!!) and bring a teddy bear or other special stuffed friend! We'll sort bears by size, count bears, and have cinnamon toast for snack. We will be going outside even in our PJs, so please make sure your child is prepared.

Later in the month we will talk about dinosaurs and extinction, how we even know there were dinosaurs and just how big they really were! We will be digging for dinosaur bones, making fossils, and more.

And finally, we will be getting ready for Easter. We will have an egg hunt, and everyone will make a home for their own fluffy chick. And Ms. Laura (Stanger) will tell us the Easter story on Tuesday, March 26th. We hope you and your families have a very Happy and Blessed Easter!

Important dates and things to remember:

- **Thursday, March 14th:** Pajama Day! Wear your PJs and bring a stuffed friend

Thanks! See you at school...
