April 2024

Hello SBA Families!

Last month we read some great classic stories. We thought of our own rhyming names (like Henny Penny and Ducky Lucky) and acted out the story after reading *Chicken Little*. Ask your child what hit Chicken Little on the head and what he thought it was... See how much of the story they can remember. We had tons of fun reading *The Three Little Pigs* along with a few other similar stories like *The Three Little Fish and the Big Bad Shark!* Then we each thought of our own funny titles and randomly selected one to use to tell our own version of the story, *The Three Little Bunnies and the Big Bad Crab!* And we hope you all enjoyed our presentation of *The Three Little Pigs* performed on the SBA classroom stage!! And finally, we worked on story retelling and sequencing with *The Three Billy Goats Gruff*.

This month in Storybook Adventure we have more great stories and fun adventures planned. We will talk about the lessons we can learn from stories, think about what we like about our friends, and lots more. Spring Break is the second week of April (April 8-12)! We hope you have a wonderful break and are able to relax and recharge whether at home or away.

As always, please let us know if you have any questions or concerns.

Thanks!
