

# 4'S CLASS MAY NEWSLETTER

---

It's hard to believe that we are approaching the home stretch of the school year. Time is moving too quickly! As I work with each of your students, I am so impressed by their tremendous growth this year. They have all worked so hard to master extremely challenging preschool skills, and they should all feel so proud of themselves. If any of you would like to meet with me to discuss my final observations on your child, please let me know. We have many fun activities and events coming up this month. Please mark your calendars!
