

4'S CLASS DECEMBER NEWSLETTER

December is such a fun month in preschool, and we will be packing in as much holiday fun as we can! We will keep working on our pincer grip by writing letters to Santa. We even have a **SURPRISE** visit from the jolly man, himself! We will be highlighting the importance of giving, as the preschool participates in a supply drive for Babies of Homelessness this month. Even with all these activities, we will do our best to slow down and enjoy the hope and peace that Christmas brings.

SANTA VISIT

Santa will be visiting SJV preschool on Thursday, December 5th. I would love to keep this visit a surprise. So, if possible, please don't mention his visit to the students. They will each get the chance to talk with Santa. Parents are invited to come and take pictures at 12:25pm.

BABIES OF HOMELESSNESS

SJV Preschool is hosting a diaper and wipes drive in support of Babies of Homelessness, a local nonprofit working with homeless families. I would encourage you to let your students pick out a box of diapers or wipes while shopping at the grocery store this month. Or, if you have extra diapers or wipes around the house that your child has outgrown, you are welcome to donate open boxes!

POLAR EXPRESS DAY

On Thursday, December 12th, students are encouraged to wear cozy Christmas PJ's as we transport our class to the North Pole with a special reading of the Polar Express. We will celebrate with hot cocoa and popcorn. Donations are welcome. Please sign up [here](#).

CHRISTMAS STORY & SING-A-LONG

On Tuesday, December 17th, parents are invited to a special telling of the Christmas Story by SJV Children's Director, Laura Stanger, and a Christmas Carol Sing-Along, led by Music Teacher, Madison Stoneman. Please meet in the 4's Class at 12:10pm. We will then head upstairs to the chapel. Afterwards, families are encouraged to join us in the social hall. If possible, please bring cookies to share.
