Hello SBA Families!

Happy New Year! We are excited to get back to more stories and adventures! Last month we read a several great stories. We talked about sharing and community as we each made a Christmas card for the families that received food baskets from SJV's St. Vincent dePaul charitable organization. Thank you again for your donations of food items and diapers this holiday season.

This month in Storybook Adventure we will be enjoying more stories full of wonder, imagination, and fun. We will be retelling stories, expressing ourselves through sound and creativity, and much more.

Please let us know if you have any questions or concerns.

Thanks!
