

## 3+ Classroom Notes January 2025

Happy New Year to all!! And welcome back to preschool! We are excited to be back! As usual, we will be busy learning and having fun in our classroom throughout the month of January.

We will start out the month making beautiful snowflakes out of our handprints. And we will also make snowmen out of 'snow dough!'

Next, we'll talk about community helpers. We'll turn part of our classroom into a grocery store and then an ice cream parlor. We will also each draw a picture and then mail it to ourselves!

Later in the month, we'll have lots of fun acting out and singing old nursery rhymes and testing just what it takes to break (a hardboiled) Humpty Dumpty!

Looking ahead to February, our 3+ Parent/Teacher conferences will be on Thursday, February 6<sup>th</sup>. The conference is a chance to talk about your little darling and answer any questions you may have. I'm looking forward to our chat! Look for a signup sheet for conference times to be posted near the end of January. **\*\*PLEASE NOTE** that there *will* be school for your child on our conference day (more of a structured play day). You may also drop siblings in the classroom during your 10-minute conference time. Also, please feel free to bring your child late to school or take them home early that day if it is more convenient to your conference time. Please see me if you have any questions or concerns.

As always, we will be counting and singing and enjoying many wonderful stories and poems throughout the month!

Thanks. See you at school...
