

4'S CLASS JANUARY NEWSLETTER

Happy New Year Fabulous 4's Families! I hope you all had a wonderful time celebrating the holidays. December was a very busy month, and I am looking forward to slowing down and getting back into our routines. We have been working hard over the past few months learning problem-solving skills and practicing independence. I'm happy to report that all of our Fabulous 4's have progressed tremendously in their ability with classroom tasks, such as putting on jackets and shoes, pouring their own water, and taking care of their supplies. We will keep encouraging these skills and providing opportunities for our 4's to gain confidence working on their own.

SHOW AND TELL

We will begin Show and Tell this month. You can find a show and tell schedule on our class calendar. Please take a look at when your child will be sharing and help your child find an item in your home that starts with our Letter of the Week. All show and tell items should be able to fit inside your child's red preschool bag. We will have 3-4 students share items each class period, which means that your child will have the chance to share every other week.

LOOKING INTO FEBRUARY...
