

April News for the 3's Class!

Dear 3s families,

April brings another fun, busy month for us. We will start out the month continuing to talk about baby animals in the spring. We will read some silly stories, paint "mud" on baby pigs, play a down on the farm game, and sing some silly songs. We'll have lots of play animals to look at, count, sort, and make houses for.

Next we will talk about the upcoming Easter holiday and reading stories about Jesus' love for us. On Friday I plan to have a little Easter egg hunt with the kids which will be a lot of fun. I'll need a couple of moms or dads to come hide Easter Eggs on our playground around 11:00 so let me know if you are available.

The following week will be our Spring Vacation from 4/14 – 4/21. I hope your families have some wonderful time together.

On Friday April 25th I am planning a field trip to Farrell -McWhirter Farms in Redmond! This is always a huge hit with the kiddos and I hope you will all be able to join us! I will send home an informational flyer and permission slip in red bags on Monday. Please remember to turn in your permission slip by Friday April 11th!

We will end the month with one of Mrs. Parpart's most favorite days – Rainbow Day!! We will be talking about all the colors in the rainbow, mixing colors, and looking at all sorts of things that make rainbows. We'll squish some colorful water beads, do a science experiment with m -n -ms, make beautiful rainbows with string and paint. We will even have rainbow waffles for snack! Yummy!

And looking ahead to May.... on Thursday, May 1st at 6:30 I would like to invite our Dad's to join us for a Special Dad's Night at Preschool! All Dads are welcome to come and spend some special time with their little one. We will be making a special gift for mom, reading stories, having a treat, and enjoying time together. I hope all dads can make it.

And Mom's please add our special Mother's Day Tea to your calendars - Friday May 9th at 11:30. More details will be coming home soon about this incredibly special event!

As always please reach out to me with any questions or concerns.

Sincerely,
Laura P.
