Welcome to Mass at St. John Vianney

Lord Jesus, we thank You for Your ascension and the hope it brings us. Help us to live with joy and share Your message with others. Strengthen our faith and guide us as we follow Your teachings. Amen.

We're thrilled to have you with us as we come together to celebrate the Holy Sacrifice of the Mass, and to seek Christ in the Word, the Eucharist, and the Assembly.

There is a church staff member available after every Mass at the Welcome Table or at Coffee & Donuts in the Social Hall on Sundays. We'd love to help you find your place of service and connection within our church family. We also invite you to visit our website at sjvkirkland.org.

We love children and the sound of children. Please know we fully welcome your entire family to be present. If you prefer some quiet time, a nursery is available downstairs during the Sunday 9:00am and 11:00am Masses.

To receive our weekly email newsletters, please scan the QR code. If you've signed up and don't see it in your email by the end of the day on Tuesdays, be sure to check your junk mail.

"Jesus Christ found a way by which He could ascend into heaven and yet remain on the earth. He instituted the adorable Sacrament of the Eucharist so that He might stay with us, and be the Food of our soul; that He might console us and be our Companion."

FR. BRAD HAGELIN

My dear Kirkland Catholics,

The Month of June for Catholics is dedicated to the Sacred Heart of Jesus. I have to admit that I didn't think about this devotion at all growing up, after my conversion as a freshman in college, or even up and through most of seminary. You could say the devotion came looking for me, or more precisely – Jesus wanted me to pay attention and to think about this devotion starting my final year in seminary.

This devotion was really popularized through revelations given to St. Margaret Mary Alcoque beginning in December of 1693. The Catholic devotional climate and popular mindset in France during the 1600s had been infected by Jansenism, a heresy that adopts Calvinistic concepts of God that depict Him as either very distant or very angry. The Sacred Heart devotion was Jesus' counter move. Jesus reveals that His love for us is threefold: a **Divine** Love that is *infinite*, a **human** love that is *sacrificial* and willing to give everything for us, and an *affectionate human* love that Jesus is capable of because He is human and experiences all the legitimate emotions we experience.

In St. Margaret Mary's writings of what He told her it seems that the thing that most hurts Jesus is indifference. Both indifference to His love and sacrifice, and our indifference to the way that our sins hurt – not Him – but ourselves and even our neighbors. Hence, Jesus does call for reparation. That is - as much as possible in this life repairing harm that our sins and those of others have done to ourselves, others and the world. How do we make reparation? Attending Mass on First Fridays when able, offering prayers and devotions specifically in reparation for our sins, fasting and almsgiving for the same intention, and acts of charity and mercy.

The following prayer is a classic prayer of reparation to the Sacred Heart:

O most holy Heart of Jesus, fountain of every blessing, I adore You, I love You, and with a lively sorrow for my sins, I offer You this poor heart of mine. Make me humble, patient, pure, and wholly obedient to Your will. Grant, good Jesus, that I may live in You and for You. Protect me in the midst of danger; comfort me in my afflictions. Give me health of body, assistance in my temporal needs, Your blessing on all that I do, and the grace of a holy death. Amen.

With love in Christ,

Fr. Brad

Annual Catholic Appeal 2025

Thank you to the many of you who have chosen to make your gift to the 2025 Annual Catholic Appeal, as well as our parishioners who are monthly recurring donors to the ACA. To date, we have heard from 22% of our parish. Your support matters for religious and lay leaders serving in a variety of roles within our local Catholic Church. Whether it is a future seminarian seeking guidance and resources, a member of the deacon formation program, or a lay leader who has received training or education because of your support. Through your gifts, we can ensure the vitality of our Catholic community. May 31, 2025 marks the 175th anniversary of the Archdiocese of Seattle, a true testament to those who came before us. Thank you again to those who have already contributed. Your support is the reason why our local Catholic Church can continue to spread the joy of the Gospel in the world today.

It's easy to give to the 2025 Annual Catholic Appeal. Scan the QR code or visit archseattle.org/GiveACA.

ST. JOHN VIANNEY CATHOLIC PRESCHOOL

Let the countdown begin. We have just 2 more weeks left of this school year. Our last day is Friday, June 13, celebrating with all our wonderful preschool families. The students will perform some of their favorite songs, led by our awesome and enthusiastic music teacher, **Madison Stoneman**.

The performance will be followed by our annual preschool picnic, a graduation photo backdrop to take pictures, and an ice cream truck!

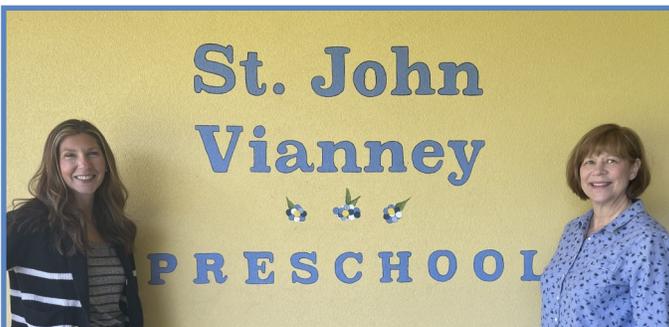

As we reflect on all the happy and exciting times we've had and how much our sweet preschoolers have grown and have learned, we also thank our preschool parents for sharing their little ones with us. Their love, trust and appreciation of SJV Preschool is reflected in special emails and cards. We will publish some of the thoughtful sentiments right here, in the July and August bulletin.

As I am getting ready to retire from my position as the Preschool Director in July, I look back on the past 14 years with fondness. It has been a wonderful journey. I have been touched by so much love and kindness and our preschoolers have brought joy, giggles, and sunshine into my life. A huge THANK YOU to all our preschool families, parishioners, and parish staff for their support, trust, understanding, and the many prayers and blessings. I am looking forward to connect with many of you on Sundays and SJV church events.

Wishing all of you a happy and fun-filled summer break!

Tours to see our joyful learning environment are ongoing. If you are interested in scheduling a visit, please email Annette Schwientek, Dir. at aschwientek@sjvkirkland.org or call the preschool cell at 425-305-9662.

A Preschool brochure is available on the parish website at sjvkirkland.org/preschool as well as the welcome table and the preschool bulletin board.

ANNOUNCING OUR NEW PRESCHOOL LEADERSHIP TEAM!

Anne Dahlin, our Preschool's current Pre-Kindergarten teacher and long time parishioner has accepted the position of the Preschool Director beginning the fall of 2025. She has been a preschool teacher for over 20 years! She has built wonderful relationships with our preschool families and is a leader among our preschool staff. Anne's love, creativity, knowledge, and care for this preschool will help it to continue to be the wonderful loving learning community it is!

Anne Dahlin will work with our current Assistant Director, **Carly Hanson**, who has trained throughout the past school year to assist the new director in supporting and managing the preschool. Carly has been a preschool parent, she is our current 4's preschool teacher and our Storybook Adventure teacher as well as our current Assistant Director. Her experience in all these aspects of preschool have made her the best support for our new Director.

We are truly blessed with this leadership team.
Congratulations!

Catholic Social Teaching and Migration

BACKGROUND. In advocating on behalf of migrants, immigrants, and refugees, it is important to understand that the Catholic position is based on Catholic social teaching, which is derived from the Gospels and the words of Christ; statements and encyclicals of the Popes; and statements and pastoral letters of bishops around the world, including the U.S. bishops. Understanding these teachings, which support the U.S. bishops' public policy positions on immigration, is helpful in understanding and defending these positions, especially within Catholic audiences.

GOSPEL FOUNDATIONS. One need not look further than the life and words of Jesus Christ to understand that persons on the move—refugees, migrants, immigrants—are special in the eyes of God. The baby child Jesus was a refugee who, along with the Holy Family, fled the terror of Herod into Egypt. (Mt. 2:14-15) In His public ministry, Jesus was an itinerant, moving from place to place, “with nowhere to lay His Head....” (Mt. 8:20)

In the Gospel of Matthew, Jesus instructs us to welcome the stranger: “For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me” (Mt. 25-35). Jesus Himself was not welcomed by His own people: “He came to what was His own, but His own people did not accept him.” (Jn. 1:11)

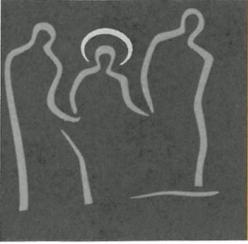

As we welcome the stranger into our midst, we welcome Christ Himself, for in the face of the migrant, immigrant, and refugee, we must see the face of Christ. In the Gospel of Luke, this is made clear in the experience of the disciples on the road to Emmaus (Lk. 24: 13-15), as they become witnesses to the Truth by welcoming the stranger, who is Christ.

PAPAL TEACHINGS. In the first social encyclical, *Rerum Novarum* (On the Condition of Labor), Pope Leo XIII established that persons have a right to work to survive and to support his or her family. Pope Pius XII, in the apostolic constitution *Exsul Familia* (On the Spiritual Care of the Migrant), reaffirms that migrants have a right to a life with dignity, and therefore a right to migrate toward that end: “Then, according to the teachings of *Rerum Novarum*, the right of the family to a life worthy of human dignity is recognized. When this happens, migration attains its natural scope...”

In the encyclical, *Pacem in Terris* (Peace on Earth), Pope John XXIII clearly articulates the right to migrate and the right not to migrate: “Every human being has the right to the freedom of movement and of residence within the confines of their country; and, when there are just reasons for it, the right to emigrate and take up residence elsewhere.” Pope John Paul II reaffirmed this basic teaching in an address to the New World Congress on the Pastoral Care of Immigrants in 1985: “Every human being has the right to freedom of movement and of residence within the confines of his own country. When there are just reasons in favor of it, he must be permitted to migrate to other countries and to take up residence there. The fact that he is a citizen of a particular state does not deprive him of membership to the human family, nor of citizenship in the universal society, the common, world-wide fellowship of men.”

STATEMENTS OF THE U.S. BISHOPS. The U.S. bishops have taken the Gospel teachings and the teachings of the Popes and applied it to the immigration reality in the United States. In January, 2003, the U.S. bishops issued the pastoral letter, *Strangers No Longer: Together on the Journey of Hope*. In that document, the U.S. bishops articulated the following five principles that govern how the Church responds to public policy proposals relating to immigration.

Catholic
Teaching

JUSTICE FOR IMMIGRANTS *a journey of hope*

1. PERSONS HAVE THE RIGHT TO FIND OPPORTUNITIES IN THEIR HOMELAND.

This principle states that a person has a right not to migrate. In other words, economic, social, and political conditions in their homeland should provide an opportunity for a person to work and support his or her family in dignity and safety. In public policy terms, efforts should be made to address global economic inequities through just trade practices, economic development, and debt relief. Peacemaking efforts should be advanced to end conflict which forces persons to flee their homes.

2. PERSONS HAVE THE RIGHT TO MIGRATE TO SUPPORT THEMSELVES AND THEIR FAMILIES.

When persons are unable to find work and support themselves and their families, they have a right to migrate to other countries and work. This right is not absolute, as stated by Pope John XXIII, when he said this right to emigrate applies when "there are just reasons for it." In the current condition of the world, in which global poverty is rampant and political unrest has resulted in wars and persecution, migrants who are forced to leave their homes out of necessity and seek only to survive and support their families must be given special consideration.

3. SOVEREIGN NATIONS HAVE A RIGHT TO CONTROL THEIR BORDERS.

The Church recognizes the right of the sovereign to protect and control its borders in the service of the common good of its citizens. However, this is not an absolute right. Nations also have an obligation to the universal common good, as articulated by Pope

John XXII in *Pacem in Terris*, and thus should seek to accommodate migration to the greatest extent possible. Powerful economic nations, such as the United States, have a higher obligation to serve the universal common good, according to Catholic social teachings. In the current global economic environment, in which labor demands in the United States attract foreign laborers, the United States should establish an immigration system that provides legal avenues for persons to enter the nation legally in a safe, orderly, and dignified manner to obtain jobs and reunite with family members.

4. REFUGEES AND ASYLUM SEEKERS SHOULD BE AFFORDED PROTECTION.

Persons who flee their home countries because they fear persecution should be afforded safe haven and protection in another country. Conflict and political unrest in many parts of the world force persons to leave their homes for fear of death or harm. The United States should employ a refugee and asylum system that protects asylum seekers, refugees, and other forced migrants and offers them a haven from persecution.

5. THE HUMAN RIGHTS AND THE HUMAN DIGNITY OF UNDOCUMENTED MIGRANTS SHOULD BE RESPECTED.

Persons who enter a nation without proper authorization or who over-stay their visas should be treated with respect and dignity. They should not be detained in deplorable conditions for lengthy periods of time, shackled by their feet and hands, or abused in any manner. They should be afforded due process of the law and, if applicable, allowed to articulate a fear of return to their home before a qualified adjudicator. They should not be blamed for the social ills of a nation.

AFGHAN REFUGEE FAMILY UPDATE

Please keep these families in your prayers as their application processes are underway for green cards on the path to citizenship. This will provide them with a more secure status in our country, as life is tenuous for many here seeking refuge from war, persecution, or extreme poverty.

We continue to work with the Archdiocese of Seattle to stay up to date on current immigration policies, and they have reported the following: The Trump administration is requiring immigrants 14 and older to register with the government. This rule is now effective, as of April 11. Immigrants who have applied for asylum, a green card, citizenship, or other immigration benefit likely already meet this registration requirement. Our website has an explanation from USCCB and FAQs from the National Immigration Law Center which you can find by scanning the QR code. If you have questions, please review these resources. For questions, contact Chris Koehler, Director of Missions and Immigrant Affairs at Chris.Koehler@seattlearch.org or 206-274-3194.

In addition, the Catholic Legal Immigration Network reports that Temporary Protected Status (TPS) has been terminated for immigrants from Afghanistan, affecting approximately 9,000 Afghans here in the United States. To learn more about the Catholic position on migration and immigration, please see the Catholic Social Teaching flyer from Justice for Immigrants, a part of the US Conference of Catholic Bishops, included with this bulletin.

ST. VINCENT DE PAUL MINISTRY

Our St. Vincent de Paul (SVDP) chapter at SJV helps our neighbors in need within the local community. Every weekday, families or individuals in Kirkland and Kenmore contact the church to request assistance for rent, utilities, food, clothing, gas, and other essential needs. During the first quarter of this year our SVDP volunteers helped 283 neighbors, including 70 people with rent, 63 people with utility bills, 43 people with gas, 28 people with food, 3 unhoused individuals with motel stays, and 76 people with other services such as furniture, phone bills, or other critical items, for a total value of \$19,396 in support.

The parish relies on our SVDP group to provide help and hope to these neighbors. **Because of the increasing number of calls for assistance, your support is critical to enable us to respond to the needs of our neighbors, in both food and financial donations.** Monetary donations may be made through pew and monthly envelopes, our EFT program, or via the Donate page on our website. Non-perishable food donations may be placed in the SVDP bin in our Narthex. Your support is sincerely appreciated.

HELPING TO FEED OUR FRIENDS GARDEN

Stop by our garden at the northwest corner of the parking lot and see the progress made this season! We have begun harvesting and delivering herbs and Spring produce to Hopelink for distribution to those in need. **All interested gardeners are welcome to help with watering and weeding this summer. Please contact Susan, sweaver@sjvkirkland.org, to find out how you can be a part of our efforts.** We are so grateful for grants from the St. James Foundation of the Archdiocese of Seattle Catholic Community Services Rice Bowl Program.

ADOPT-A-BED

There was a garden bed adoption last week by a young couple who are relatively new to our SJV community. They are Ruan, (pronounced Ron) and Maria Clara Neves. They have recently come here from Brazil. If you happen to recognize them at mass, please introduce yourselves to them and welcome them as new members of our SJV family. Thank you **Ruan and Maria Clara**. We are looking forward to getting to know you.

MAY Bed of the Month

Mike McAuliff

The next time you happen to be in the social hall take a look at the beautiful flowers growing on the other side of the wall with the glass door and big windows. Mike McAuliff deserves a big "Thank You" for the work that he is putting into that area to surround the statue of the Blessed Mother with all of those wonderful, colorful plants. If you do not usually go into the social hall after mass and just head for home, take some time and visit the social hall and take a look. Also wander the grounds and enjoy all of the spring color before you head for your cars. The grounds are for all parishioners to enjoy and lots of work has already gone into beautifying the grounds starting with the "yard party" before Easter and continuing by the bed adopters who are manicuring their beds during the summer. Thanks again Mike. How many of you thought all Mike could do was make wonderful German sausage? 😊

FACILITIES WORKSHOP

Fund a Need Update from our Auction this year! We have finally identified the culprit of the “screechy” noise with our older handheld wireless mics. Turns out that when the cell tower on our site was upgraded, our older equipment can’t filter out the stronger RF noise. We will try some new tricks now. We are still evaluating other security upgrades on campus, but we have made headway in addressing our Assisted Listening issues. It is a very promising system, and doable, just costs money. I will continue to keep you posted on what projects are being completed.

Adopt-a-Bed program is alive and thriving! We have had a couple new volunteers and others have accepted more areas to be responsible for. There are still many areas available to be adopted. YOU TOO can join this rewarding program. Please contact Tony Zimmerman through the office at sec@sjvkirkland.org, or (425) 823-0787, if you are interested in adopting a bed.

SJV Gardeners: We have a new deer/rabbit fence in place thanks to several hard-working volunteers, including a number of High School Mission Trekkers. Kathleen and her team are gathering regularly now and have installed the 3 new growing beds and the irrigation for them was just installed as well. They are meeting often and starting to harvest some produce already for HopeLink. This group is really “growing” but there is a lot of work to do! If you enjoy gardening and doing good, here is a great opportunity. Even a little time here and there is appreciated. Contact Kathleen McCaffrey through the office, if you are interested in joining the team.

Rose Committee: Headed by volunteer Michelle Pomada, the major Spring pruning, fertilizing and black spot remedy has been applied but it is continuous during the growing season. Now for the glory of these beautiful roses to shine! Many hands are needed to keep this going. This committee continues to grow and the results are fantastic. If you would like to get involved with the Rose Committee, please contact Michelle through the office.

Thanks to all who make this such a great place to call our home! I would like to thank all of you that make these things happen and especially to those behind the scenes with their continued dedication! Be it members of our Adopt-a-Bed Program, Rose Committee, SJV Gardeners harvesting produce for Hopelink, Flower Committee for the Altar Flowers, Facilities Committee, and those of you that are constantly volunteering in various areas. We are who we are because of you! Thank you all!

I hope you are taking advantage of the many lovely reflection areas on our campus. The Madrona Stump Madonna in the north parking lot, the Memorial Mother Mary statue, the wooden Stations of the Cross, the Vern Endres Memorial Rose Garden area, the Margie Berard Memorial garden, or just taking a stroll around these beautiful grounds. Thank you again to all of you that have made this happen! Be sure to follow Tony’s “Bed of the Month” recognition and check out what volunteers are doing to make our home a beautiful Light on Finn Hill. You, too, can adopt a bed – just contact Tony Zimmerman through the office.

We are looking at options for our outdoor meeting and gathering area that has been partially funded by our Auction Fund-a-Need from last year. We recently had an arborist review our options here as well as other needs on the campus. We have a Landscape Architect sketching up some ideas that we will take into consideration. Stay tuned...

The Facilities Committee, Fr. Brad, Fr. Val and the Staff are so appreciative of our volunteers here at SJV! Every little bit helps, and we always have things to do around this building and this 8-acre parcel of beautiful grounds. Please contact Greg Leptich if you have questions: 206.940.4072 or gleptich@sjvkirkland.org.

PHOTO PROJECT

Fr. Brad and Fr. Val would love to have a name to match every face. Please send a picture of yourself to sec@sjvkirkland.org. It will only be used to update your profile in our parish management software. Vertical/portrait shots are preferred, and they don’t need to be formal.

Adopt-a-Garden Bed Join the program and pick out a spot on our property to beautify. This has become a very successful and rewarding program to everyone, especially from the pride you feel from working in our beautiful gardens to make them even better! Contact Tony if interested, 206-999-0804 or tzimmerman@yahoo.com.

If you would like to join this group but are inexperienced with quilting, they would love to help you get started. They meet each Wednesday in the social hall from 10:00-11:00am to make quilts for those in nursing homes or recovering from illness. Contact Kathy Egan, 425-864-4325.

Wednesday Morning Faith Sharing New people are always welcome! We meet after weekday Mass, around 9:45am, every Wednesday for about an hour. MARRIAGE CONVALIDATION

Congratulations to **Jessica & Nick** who had their marriage convalidated on May 25! May the blessings of God grant you years of happiness by each other's sides.

"I'm so appreciative to SJV for being my faith home all of these years, and for all the support we received from everyone who helped us. It was a long process, but it means so much to have our marriage be a Sacrament!" - Jessica

Convalidation is the process by which a couple who was married civilly enters into a sacramental marriage. If you are in need of an annulment from a previous marriage, we have advocates at both churches in our parish family who can help you work through the process. If you were married civilly and have not had your marriage blessed Sacramentally in the church and you'd like to, please contact Laura Stanger, Lstanger@sjvkirkland.org, and she will get you started in the right direction.

SJV 2025 DEL & DARLEENE BROWN COMMEMORATIVE GOLF TOURNAMENT

We had an amazing day of golf on May 30 - great weather, great people, and some great playing. We were even blessed by a Fr. Brad golf cart drive by through the course. Some teams didn't need a blessing on their play as *Team Dowling* won again this year with a score of 59 (on a par 72 course). The *Fairway to Heaven* Team was close behind with a score of 61, possibly due to an Eagle shot after the visit by Fr. Brad. *Team Good Good* took an impressive 3rd with a score of 65. *Team Baluyot* got a Hole-in-One, shot by Leonard Liam which may be a first in the history of the tournament. We had two teams of newbies who turned in impressive on par and just under par scores. The individual prizes were won by:

Women's Longest Drive
Aura Sukapanpotharam

Men's Longest Drive
Jeff Jergens

Women's Closest to Pin
Christina Bernal

Men's Closest to Pin
Leonard Liam

Thank you to everyone who came out to golf and brought such an amazing spirit - all the golf course employees were commenting on it. Thank you to all our tee sponsors - we are grateful to you! And to Fr. Brad for making the trek up to Everett just to wish all well and good play.

We encourage you to support the following businesses that supported the Golf Tournament. We are deeply grateful for their donations to our church community.
