

WELCOME

SJV Catholic Preschool serves as an extension to our Faith Formation Program, adopting the same focus and philosophies, while providing a more structured play-based program for our 3- to 5-year-old students. Our teachers' lessons focus on small and large motor skills, early language development and age-appropriate writing, math, science, art and music. We have a multi-culturally diverse population in our enrollment and accept children of all faith backgrounds.

Our Parish's Faith Formation Program is open to all families. These programs: Catholic Kids' Catechism Club, Children's Liturgy of the Word, Sacramental Preparation, Mom's Morning out, and Vacation Bible School celebrate each child as a wonderful gift from God, while fostering growth in development of education, faith and community.

GOALS

- ❖ Celebrate and nurture the gifts each child brings to the Community.
- ❖ Support the total development of each child; encourage social, mental, emotional, physical, and spiritual growth.
- ❖ Provide an academically enriched and developmentally appropriate environment which helps each child feel comfortable enough to learn and grow.
- ❖ Establish a partnership between the domestic Church (family) and our Parish Community.

CURRICULUM

Our curriculum includes all aspects of learning; academic, social, spiritual, and physical. The low student teacher ratio allows for a child focused program, which nurtures individual needs and increases creativity through open-ended and theme-based projects. Our curriculum includes art, science, music, small and large motor skill development and manipulative materials to enhance pre-reading and pre-math skills.
