

March News for the 3's Class!

Dear 3s Families,

“Marching” into another fun, busy month!

We start out our new month with a celebration of one of my favorite authors – Dr. Seuss! We will have a special birthday celebration by reading some of his silly books, making our own Cat in the Hat, and having a special “cat snack”.

Next up we will be talking about the season of Spring and creating foamy white clouds in shaving cream and creating some Spring trees!

Our little 3s will then learn a few nursery rhymes to sing as well as catapulting cows over the moon, making soft fluffy sheep for Little Bo Peep, and helping Humpty Dumpty to not fall off the wall.

Lots of fun events with community helpers are next! We will look at all sorts of ways people in our community help each other. We will have a store to buy and sell groceries, a medical kit to take care of our patients, a construction site to build things, a bakery to bake yummy treats and much more. I love to watch the kids act out what they want to be when they grow up. We are also excited to welcome the Kirkland fire dept. to our school to learn about fire safety and look through the big fire truck! Always a huge hit with the kiddos. That date is to be determined.

Then we will be learning about wind and make our own diamond kites to fly outside. And also learn about how plants grow and plant our own wheat grass!

As always please reach out to me with any questions or concerns.

Sincerely,

Laura P.
