

## 3+ Class Notes - May 2026

I cannot believe this is our last full month of preschool! Where has the time gone? It will be a busy and fun month in the 3+ class. We start the month honoring our wonderful moms. Our Mother's Day Tea is **Thursday, May 7th at 12:15pm** in the center room at school.

We will then learn all about insects! We will be getting our own butterflies to keep in our classroom and we can observe them changing from caterpillars into beautiful butterflies.

Then on **Tuesday, May 19th** we will go to the Cougar Mountain Zoo for our class field trip! Please arrive by 9:45am and note, you must drive your child to the zoo, but if needed you can drop them off and pick them up afterward. This is such a fun field trip for the kids. It is a guided tour just for our class and the 4s class. Tickets for the field trip are \$16 per person (siblings 2 and under are free). If purchasing tickets is a burden for you, please let me know and we can provide assistance. We take cash, check or credit card, and you can drop off your payment anytime at preschool. We also have access to their picnic area for 30 minutes after our field trip, so feel free to bring a lunch to have after the tour. Permission slips for the field trip will go out next week.

After our field trip we will learn about endangered animals - some of which we will see on our field trip! We will then end the month with a week of all things ABCs. I will be gone that day and Mrs. Parpart will be teaching.

*A special note* - please mark your calendars - we will be having our end of year performance and picnic on **Thursday, June 11th at 11:30am** in the social hall upstairs at the church. This date has changed from our previous communications. This is a school-wide performance with all of our classes. This will also be our last day of school. Please bring your child to school at our normal time at 9:15am, and then arrive at 11:30am in the social hall upstairs at the church. Please try your best to be on time - the show will start promptly! Feel free to invite additional family members or other special people - it is a very sweet and fun performance. After the performance we will go outside for a picnic and the ice cream truck will visit! Please pack a picnic lunch and bring a blanket to spread out on the lawn.

As always, please reach out with any questions or concerns!

Warmly,

Amanda Cendoya
