

3+ Class Notes - June 2026

It is hard to believe it is our last month of school! It will be a short but fun last few weeks of preschool. We will start the month talking all about colors! We will make colorful art, talk about color in nature and learn about what happens when you mix colors. We will then talk all about summertime. We'll go on a fun scavenger hunt around the church in search of fun summertime activities.

We will continue the month talking about our dads! The kids will make a special surprise for their dads.

Then on **Thursday, June 11th** we will have our end-of-year musical performance in the social hall upstairs in the church. This is also our last day of school. Please drop your child off at 9:15am like usual and then arrive back at the church at 11:30am in the social hall. We will begin our performance promptly at 11:30am, so please try your best to arrive on time! Feel free to invite any other loved ones and special people who would like to attend.

Please also remember your picnic lunch and a blanket for after the performance. As long as the weather cooperates, we will move to the playground after the performance for our picnic lunch. The ice cream truck will stop by after lunch as well! Please look for a sign-up sheet at drop-off/pick-up so we can collect a headcount for the ice cream truck. It will be a very fun afternoon!

I want to take a moment to thank you all for such a wonderful school year. I have been honored to teach your children this year, and I appreciate all of your support and kindness throughout the year. Your kids have grown so much, not just academically, but socially and emotionally as well. They are all such fun, kind, silly, wonderful kids, and I will miss them so much. Please stop by our classroom anytime in the future to say hello!

As always, please reach out with any questions or concerns.

Warmly,

Amanda Cendoya
