June 2026

Hello SBA Families!

Well, it has been a grand adventure of a year in Storybook Adventure! It's hard to believe it's almost over. We have read many wonderful stories, had tons of fun, and learned a lot. We are so impressed by your children and their enthusiasm for and understanding of the stories and all of their amazing ideas and boundless energy!!

Last month we read the fun story, *The Turtle and the Moon*. Ask your child if the turtle was really swimming with the moon (it was just the reflection of the moon in the water). We also read a book inspired by jazz music, *Charlie Parker Played Be Bop*, in which the words have the rhythm and even the sounds of jazz music. Then we read a longer chapter book, *The Treasure Tree*, and we went on our own treasure hunt using all of our talents to solve the clues and find our treasure! Along the way we worked on story re-telling and remembering details and characters. Ask your child who were the four friends who got the treasure map, and see if they can remember how they found the keys.

This month, we will start out with a "read-a-palooza," where all three teachers will re-read the kids' favorite stories from this past year. And on our last day of Storybook Adventure, we will read one last fun story together and play some games with each other.

Thanks for a great year, and thanks for sharing your wonderful children with us! We hope to see you all at the all-school end-of-year picnic on Thursday, June 11th!

As always, please let us know if you have any questions or concerns.

Thanks! Have a happy summer!!
