

3+ Class Notes - November 2026

November is another busy month in the 3+ classroom! We will start the month learning all about shapes. On Thursday, November 5th, Mrs. Parpart will be subbing in our class as I will be out of town. Mrs. Parpart is our 3s teacher and already knows many of your children!

We will have a fun day of learning about forest animals and then have a day dedicated to pizza! We will make our own pizzas and play some fun pizza games. We will have a fun "ooey gooey" day of exploring different textures. Please dress your child for a mess that day.

Later in the month we will begin to talk about Thanksgiving. We will think about what we are thankful for and make our own turkeys. We will have our Thanksgiving Feast on **Tuesday, November 24th at 12:15pm** where we invite all families to join us for a special Thanksgiving lunch. Please note, you will not need to pack a lunch for your child that day. This is a potluck-style lunch so I will have a sign-up sheet for families later in the month.

We will be closed Thursday, November 26th for Thanksgiving. I hope you all have a wonderful Thanksgiving with family and friends. I am truly thankful for my sweet class and this wonderful community.

See you at school,
